

Our Hope

We hope to provide the opportunity and environment to develop one's musical talents. Our desire is to offer the expertise and encouragement needed for students to become skilled musicians.

Reading music and developing skills in playing an instrument are lifelong skills that are beneficial in so many different walks of life, and it would be our pleasure to assist students in becoming those musicians who play for their own enjoyment and for the enjoyment of those around them.

About the Owners

Jenny Darnall—a teacher of piano for 9 years as well as church pianist and choir director at Pleasant Grove UMC, I spend a great deal of time in front of the keyboard. In addition to my private piano lessons, being a teacher of English and French at Marshall County High School also requires me to spend a great deal of time perfecting my teaching methods. I'm looking forward to using my experience in front of the piano and my experience in front of a class to help more students recognize the joy of competent piano playing.

Kelly Weaver—a leader in church music for 13 years in different positions, including pianist and choir director, I am experienced in teaching music to children and adults. Also, my roles as a social studies teacher at Marshall County High School and the mother of three daughters, I believe, have helped prepare me for this opportunity to share my love of music with others.

How It Works

- Students will be divided into classes according to age and ability.
- Classes will be 50 minutes long.
- Classes will be scheduled between 3:30-6:30 on weekday afternoons.
- Classes will involve the introduction and practice of new techniques, a theory lesson, and individual attention to a student choice piece.
- Students must sign up for a semester of lessons. There will be two semesters a year. (Fall and Spring) The fall semester begins in August, and the spring semester begins in January.
- Students will graduate from one level and move to the next after two semesters.
- We will offer one makeup lesson day per month.
- We will follow the school calendar—no school—no lessons.

How Much It Costs

- The monthly fee for our classes will be \$60.00 a month per student.
- Students must pay a \$60.00 deposit at the beginning of each semester which will count as their payment the last month of the semester. Any student no longer enrolled by the last month of the semester would lose his/her deposit.
- Students must pay for class books and other music they choose to play.

How I Sign Up

- You are encouraged to sign up as soon as possible as classes are already filling.
- Call Jenny Darnall at (270)703-1581 or Kelly Weaver at (270)210-3574. We will need student's age level and ability level (beginner, advanced, etc..).
