

Our Hope

We hope to provide the opportunity and environment to develop one's musical talents. Our desire is to offer the expertise and encouragement needed for students to become skilled musicians.

Reading music and developing skills in playing an instrument are lifelong skills that are beneficial in so many different walks of life, and it would be our pleasure to assist students in becoming those musicians who play for their own enjoyment and for the enjoyment of those around them.

About the Owners

Jenny Darnall—a teacher of piano for 11 years as well as church pianist and choir director at Pleasant Grove UMC, I spend a great deal of time in front of the keyboard. In addition to teaching piano lessons, being a teacher of English and French at Marshall County High School also requires me to spend a great deal of time perfecting my teaching methods. I enjoy using my experience in front of the piano and my experience in front of a class to help more students recognize the joy of competent piano playing.

Kelly Weaver—a leader in church music for 15 years in different positions, including pianist and choir director, I am experienced in teaching music to children and adults. Also, my roles as a social studies teacher at Marshall County High School and the mother of three daughters, I believe, have helped prepare me for this opportunity to share my love of music with others.

How It Works

- Students are divided into classes according to age and ability.
- Classes are 50 minutes long.
- Classes are scheduled between 3:30-6:30 on weekday afternoons.
- Classes involve the introduction and practice of new techniques, a theory lesson, and individual attention to a student choice piece.
- Students sign up for a semester of lessons at a time. There are two semesters a year. (Fall and Spring) The fall semester begins in August, and the spring semester begins in January.
- We also offer a summer session for students who would like a little extra practice.
- Students graduate from one level and move to the next after two semesters.
- We offer one makeup lesson day per month.
- We will follow the school calendar. School vacations are vacations at NoteWorthy.

How Much It Costs

- The monthly fee for our classes is \$60.00 a month per student.
- Students pay a \$60.00 deposit at the beginning of each semester which counts as their payment the last month of the semester. Any student no longer enrolled by the last month of the semester loses his/her deposit.
- Students pay for class books and other music they choose to play.

How I Sign Up

- You are encouraged to sign up as soon as possible as classes are already filling.
- Call Jenny Darnall at (270)703-1581 or Kelly Weaver at (270)210-3574 or email us at noteworthymusicstudio@ymail.com. We will need student's age level and ability level (beginner, advanced, etc..).
